

4-21-93

To Whom It May Concern,

This letter is being written in appreciation for the extremely professional service we received from Gary and John.

Being a homeowner, we expected quality workmanship for the price, however, we both feel that the efforts of Gary and John were superlative.

In the future be assured we will recommend your company, and Gary and John by name to all those we contact with window and door needs.

Sincerely,

Mr. and Mrs. D. Thomas Burdette
