Dear Sirs

Congratulations on a job well done! Both my wife and I were extremely pleased with the quality of vinyl windows Weathergard sells and with the very professional installation which was done on August 1st and 2nd.

Initially, I was not sure which window company to choose from with many of them in our Detroit area. I looked at the Glennhaege.com website to get some recommendations and found Weathergard listed. Then I looked on the BBB website and your company had very few complaints (much better than some of your local competitors).

When your salesman, David Fishman made the initial visit, I knew this would be the best window for our house. My wife had some hesitation as she was not present, but I convinced her of your fine reputation.

Your installers, Nick and Tom, did an excellent job and are to be highly commended. Nick announced on his arrival that he was your top installer and after two days I was thoroughly convinced.

Both my wife and I are thoroughly satisfied with your fine product and installation and I would not hesitate recommending your company!

Sincerely yours
